From Mr. Cristante

Sr. Boys Soccer Team - **Roster is posted outside room 223.**

Please check the roster. If your name appears on the roster you have a **mandatory meeting in room 223 at lunch.**

From Mr. O'Reilly

Have you heard of our **intergenerational** choir, **Voices in Motion**? It is at the center of a very powerful UVic study on the healing effects of singing for those with dementia.

There are 3 generations of people in the choir: the elderly with dementia, their care-givers who are typically middle-aged, and young people, hence the name 'intergenerational'. This year, our Voices in Motion choir will be held at our school in the new **Music room** and the **first rehearsal is today at 2:30pm**. You do not need to have a fantastic singing voice or musical ability to join - all are welcome! Volunteer hours can be earned for participation and each student will receive a reference upon graduation, which looks great on your resume! All those interested can come and see what we're about after school today in the Music room.

From Mr. van Dyk

Do you like to have fun? Do you want to contribute to our school community? Then being in ***The Circuit***, our school newspaper, could be a great fit for you. We will have our first meeting during **Focus block** on **Friday**, September, 23 in **room 110**. Talk to the editor Maya Zidek or Mr. Van Dyk for more details. Thank you Sabres!—
