From Mrs. Kearsey

Due to an error (maybe technical, maybe human) many people are signed in to Mrs. Kearsey's Focus Block. I apologize for the inconvenience this has caused. The following students need to join Mrs. Kearsey's Focus Block: Lucia C., Martina, Milla and Patrick (Grade 9 French Revolution presentations). Other students are welcome, also.

From the Learning Support Department

There will be **NO** homework club **tomorrow** Wednesday, January 11th.

From Mrs. Blair

- Team Photos for the yearbook!! We need everyone on the Senior Boys Volleyball team, and the Grade 8 Boys AND Girls Basketball teams. We are taking them Thursday this week during lunch. Make sure you have the St. Andrew's gym shorts but don't worry about jerseys, we've got them.
- Jr. Girls had strong win in Sooke last night. With the entire team making it on the stat sheet. Julia, Natalia and Rosie were our top 3 scorers and rebounders.
- The junior boys continued their winning streak with a very physical, hard fought game against Ed Milne. The team stepped it up with 5 players contributing 8-14points each to help the team win. The boys are now 5-0!

Over please...../2

From Mrs. Sanders
