## From Mrs. Blair

The senior girls battled a hard fought game against Esquimalt school last night. The first half was really rough and the girls were down 18 to 8 at halftime with three of their top players in foul trouble. At the third-quarter they came out and with some deadly outside shooting pulled ahead of the opponents... They took control of the game with some sniper like outside shooting from Julia G around the perimeter and a three-pointer from Mariana O. In the fourth quarter the girls held their opponents to get a meager four points. They won the game in a convincing fashion winning 36 to 25. Shout out to Valentina scoring 12 points and 10 rebounds. The coach was impressed with all the girls' efforts.

*Over please...../2*
