## From Mr. Wagner

All **IT 8 students** who missed the final exam yesterday or who have not had a chance to present their Scratch programs please come to my focus immediately. **Only current IT 8 students** will be permitted in focus today.

## From a fan named Alessandro

Yesterday evening our Senior Girls basketball team played a game against the great and feared Spectrum Thunders. Despite the defeat, the girls fought at the best of their abilities for 40 minutes, and they managed to play a great game and give the best of themselves, even if they were missing some members of the team. A special shoutout to Valentina who played her last game with the girls before leaving for Italy, and did a really great job on both sides of the court. Congratulations, Go SABRES!!

## From Ms. Stellino

I agree and love what Alessandro wrote about the Sr. girls bball team and want to add.... The girls played hard to chip away at Spectrum's lead the whole game. Zoe Iverson scored a beautiful 3 point basket and Ellie Relova Clegg contributed 5 points; Valentina Franco knew it would be her final game as a Sabre and left her mark scoring 3 – 3 point baskets and finishing as top scorer with 17 of the 35 points. The Spectrum bleachers were filled with amazing fans that chanted and cheered to the bitter end. Some sad goodbyes as some international students leave St. Andrew's. The team will definitely miss the tenacity and hard work of Valentina as she returns to Italy as well as Ellie and Zoe as they graduate early. We all wish them well.

## From Mrs. Blair

- FOR all **JR and SR boys vball** Team: There is a **mandatory meeting** and yearbook pic for jr and sr boys vball in the gym at the beginning of focus block today.
- All grade **8 boys bball team** please come to focus block in gym for the first 5 min.
