External Credits

Students earn external credentials by taking courses, programs, or activities that fall outside the normal BC school curriculum. The Ministry approves all external credentials offered for graduation credit. For example, graduation credits for Grades 10, 11 or 12 given to students who complete specific BC Conservatory of Music programs.

Credentials may count as the Arts Education or Applied Design, Skills, and Technologies graduation requirement or as elective credits. Additionally, 4-credit credentials at the grade 12 level may count towards the adult graduation diploma.

By Grade 12...

52 Required + 12 Religion =
64 credits

So, there are still many elective
choices to reach the
80 required credits!

4 courses must also be
completed at the Grade 12 level
St. Andrew's students already have to
complete the following, which covers
this requirement:

1. Comparative World Religions 12
