Mission Statement: St. Andrew's Regional High School strives to develop Catholic-Christian values in students by openly stating and celebrating our belief in the values Jesus taught. Our commitment to excellence in education of the whole person guides our decision-making. Our goal is to provide each student with opportunities to gain the knowledge, skills and values necessary to respond to personal challenges with faith, hope, and love.

February 9, 2024

Since the start of the new semester, our school has been abuzz with several activities. Two weeks ago, our Grade 11s participated in a blanket ceremony in our library. Mrs. Paul and Mrs. Kearsey forwarded summaries of what our students learned. It was quite a list of reflections. The best way to summarize is to quote a passage from Julia W., "Beyond its interactive elements, the workshop's purpose was profound. It sought to raise awareness and deepen historical understanding of the challenges faced by Indigenous peoples. This firsthand encounter with the historical narrative was both enlightening and impactful, leaving me with plenty of questions to discuss with my peers."

The following day our students spent time in retreat, getting fired up with Face-to-Face. The Grade 11 / 12 students participated in the morning and our Grades 8 -10s in the afternoon. Catholic School Week had our students writing Valentine's Day cards for Anawin House and competing in a CSW Kahoot, composed by Mr. Van Dyk. Thursday was a busy day, as we polished the school, prepared displays, conducted science experiments, demonstrated dissections, and had staff celebrate our school. It was wonderful hearing our teachers share with prospective families everything our school provides.

To wrap up the CSW, we had a civvies day. To participate, students brought in two cans of food or two dollars. A lot of food and money was collected to support Help Ukraine Vancouver Island.

Our semester has started with reconciliation, progressed to offer acts of kindness and love, then finished off with acts of generosity. What a wonderful school we have!

Blessing,

Patrick Niwa

Sports Corner

It's been an exciting time for basketball at St. Andrew's school. The senior boys basketball team won the tournament at Duncan Christian school last weekend. It was a great team effort, and Noah, Jace, and James were player of the games. In addition, Noah got MVP of the tournament and Jace received an All-Star.

Senior girls basketball head to islands next week and have a good shot at provincials. Junior boys basketball finish first in their league play and they are in the second round of playoffs. Our junior girls are also in the playoffs and have a good shot at winning, the cities. We wish all our teams the very best! We are also always looking for coaches... in particular track and field help coming up in March! **Also we need a boys soccer coach for next fall! Please contact lblair@cisdv.bc.ca for more info!**

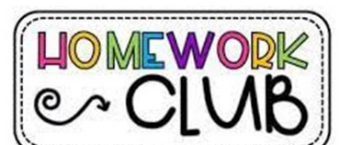

Grade 8 NO PHONE POLICY

Due to the positive feedback we have received from parents and staff, we have decided to continue with our no-phone policy for our Grade 8's. Therefore, while they are on campus all phones are OFF and AWAY for our Grade 8 students. Thank you for your support!

Homework club (in room 222) All are welcome to get some extra support and/or a quiet place to do work.

Days & times are: Monday, Tuesday, Thursday and Friday from 3:15 – 4:15 with one Education Assistant. Wednesdays are from 1:50 – 3:15 with five Educational Assistants!

Theatre Department

St. Andrew's Community,

It's that time of year again!

Opening night of High School Musical is only 3 months away! That being said, the theatre performance and theatre production classes are trying to raise money for our show to help us pay for costumes and props to make HSM the best it can be. Like last year, to support our show we will be doing a Purdy's chocolate Fundraiser.

Chocolate orders will be ready for pick-up on Friday, March 15, just in time for March Break/Easter weekend! Order your chocolate today!

Use the link below to register as an High School Musical supporter and order your chocolate:

<https://fundraising.purdys.com/1504616-114947>

Please pass on to help spread the chocolate word!

Thanks for all of your ongoing support!

Music Department

Our Music students are currently preparing for our Ash Wednesday service on February 14th. Looking ahead, students are gearing up for the return of the first Island Catholic Schools Celebration of Music concert since 2019. The concert will take place at UVic's Farquhar auditorium on **April 16th** and it will feature choirs and bands from St. Patrick's, St. Joseph's, and SARHS.

Following that, our Music students will travel to the **Con Brio Music Festival** in Whistler, B.C. from April 18th—21st.

There will be approximately 60 of our students participating in this valuable opportunity for young people to enhance their musicianship through performance, adjudication, and collaboration in a massed band of over 1000 students! We look forward to being part of this exciting event!

****Please note** that Bandfest, originally on the school calendar for Mar.1st, has been suspended indefinitely.

English Department

At the end of first semester in January, students in Mr. Van Dyk's English 8 class competed in the "Poetry Playoffs" -- reciting memorized poems with power, passion, and poise! Congrats to class champions Carmela R and Jacob B (pictured with runner-up, Callen S). Way to go, poets!

Food Collection for HELP UKRAINE VANCOUVER ISLAND

Catholic Schools Week 2024 was a great success: we lived, celebrated, and proclaimed our faith. In the week preceding **Catholic Schools Week**, all Grade 11 students had the opportunity to participate in the Kairos Blanket Exercise. The following day, all SARHS students participated in a spiritual retreat led by Face to Face Ministries. During Catholic Schools Week students engaged in a fun Kahoot (thank you, Mr. Van Dyk for the Kahoot, and Ms. Donegan for the goodies), created beautiful Valentine's Day cards to be shared with Anawin House, and collected 390 cans and \$278.95 for Help Ukraine Vancouver Island. Congratulations to our staff and students for organizing and participating in the activities and events that took place over Catholic Schools Week.

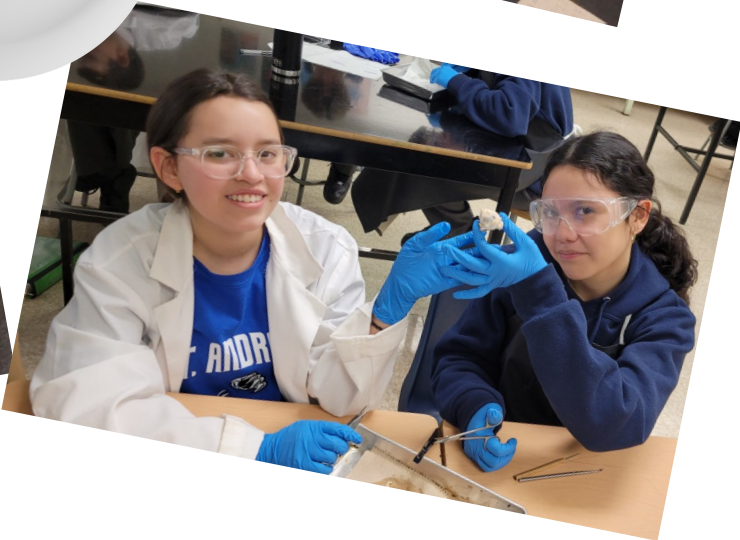

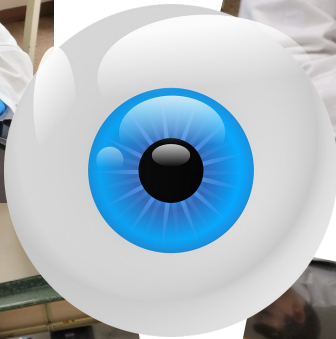

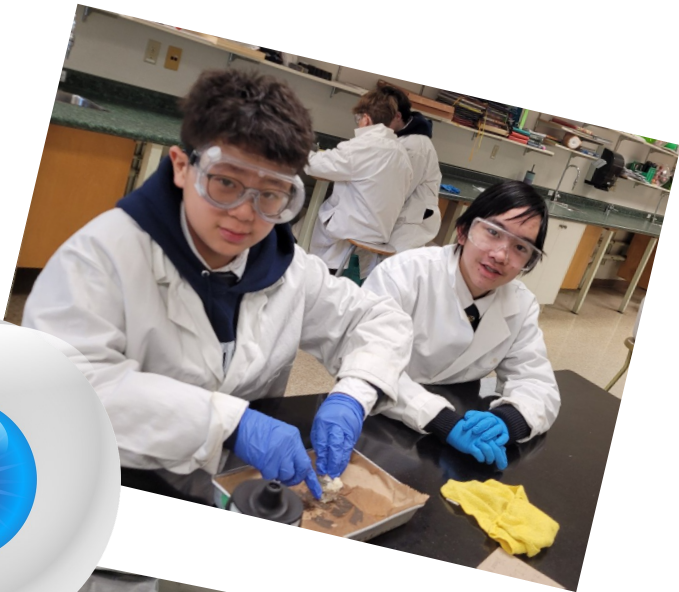

May we take the spirit of this week and continue "To Build In Love".

Grade 8 Science

The grade eights culminated their term with a sheep's eye dissection. After learning the parts and their functions, the students were rewarded with this hands-on activity to cement their learning.

THE POWER OF CARDS

- ✦ When a card is received, the emotional response of 'excitement' is much greater than from a text, email or other digital platform.
- ✦ The recipient will feel more socially connected and less lonely.
- ✦ The recipient will feel more valued knowing someone has taken the time to select a card and send it.
- ✦ A sympathy card can communicate comfort and tenderness.
- ✦ A get well card can inspire hope and show how much you care.
- ✦ A birthday card can convey humour, fun and happiness!
- ✦ And for an anniversary or holiday the recipient will feel they haven't been forgotten and they are appreciated.
- ✦ Research also shows that being kind and generous leads to a more positive mood and less anxiety for the sender as well!

**For every Big Box of Cards sold,
\$11 of your \$35 comes back
to help our school.**

NEXT PSG MEETING

March 13 @ 7 p.m. in the library.
Don't be shy. Come and join us!

ST. ANDREW'S HOT LUNCH PROGRAM

The PSG oversees the school's Hot Lunch Program as a fundraiser for the school. Students and staff are encouraged to participate in the program at a level at which they feel comfortable, knowing that the program is volunteer-run by parents and students with the gentle guidance and assistance of school staff. All proceeds raised are shared to help support the PSG, the school's music and sports programs, SARHS Student Council as well as this year's grade 12 After Grad celebrations.

All volunteers involved work with local businesses and do their very best to minimize our environmental impact using compostable eating utensils and plates and recycle food packaging whenever possible. As order or delivery errors can occur beyond our control, we do recommend that you also bring a snack to school. Payment for all hot lunch items is by cash only.

If you have any questions regarding the Hot Lunch Program or would like to help as a Hot Lunch Program volunteer, please contact our PSG Hot Lunch Program coordinator, Fausto Giorgi, at sarhs-psg@cisdv.bc.ca
