Our graduates will be presenting their Capstones to their TAGs in 50 min TAG Focus blocks on the following days:

1. Friday, April 19
2. Monday, April 22 (same schedule as Friday)
3. Friday, April 26
4. Monday, April 29 (same schedule as Friday)

All students need to be in their TAG **on time and stay in their TAG classroom** for the 50 min TAG Focus period. Each capstone is approx 20 min, and some days may have two back-to-back capstones. Students should bring other school work that can be completed in their TAG Focus since extra time may be available. Following the Grade 12 presentations, please share some lovely feedback for our graduates.
