## From Mr. Van Dyk

Reminder for **The Circuit** writing club! **Deadline is today.** We will meet today in Focus to put things together and announce our Circuit leadership team for next year! Stay tuned for our final edition published this week!

## From Ms. Fowlie

**All Grade 12s** – Grad dinner seating preference deadline is TODAY.  
Check the **CLC Google Form**. Data will be pulled tonight.

## From Mrs. Blair

It was an amazing track and field provincials! I am so proud of all 21 students who took part and ran or threw their hearts out!!

Some highlights include:

Anika placed first in the 300m hurdles and earned herself a GOLD medal in the 300m hurdles at provincials. Elyse finished in the top 8 as well! Great job girls!!

The boys gr 8 team were at it once again and earned a gold medal in their 4 by 100!

They are officially the top team in BC! They beat out the other 23 top teams! Well done once again Jacob KM, Liam B, Keegan and Mateo M!!!

Also, great efforts by Maya earning the bronze medal at provincials in the 400m!!

Lastly, Nathan Tam had an incredible feat as he place 2nd in the pole vault at the Islands and then beat his PB at provincials with 2.90m jump! There were so many achievements and we are so proud of you and all your efforts.

Don't miss the **Athletic Gala** of the year; tomorrow. All are invited!!! Please **bring half a dozen goodies** and join us for **BBQ starting at 5 PM** (suggested donation of five dollars). Get a burger, chips and a drink! **Award presentations start at 6:30. Dress nice** and come have some fun!

**From Mr. Gibbs**

Attention **art students** who took art this year in grade 8, 9, 10, 11 & 12. If you haven't taken your artwork home yet, please come by and pick it up from the artroom this week. This is your last chance before summer clean out. Thanks everyone!

**From Mr. Mendez**

Reminder to theology club that our potluck and mission trip debrief is this coming Monday after school in room 149. Bring your testimony and the food you're signed up for in the Google classroom. The Bishop and superintendent are confirmed to come, so make sure you reach the crew homeboys, no skibidi.

**From Ms. Sanders**

Are you interested in Engineering and Computer Science? Come to room 149 on Wednesday June 12 at lunch time. Sophie Bechard and Alice Zou, the Directors of Outreach from UVic's Engineering and Computer Science Students' Society, are doing an info session and open Q&A on their first year experiences. They will be discussing the Engineering and Computer Science program, program declaration, engineering clubs and conferences, along with other parts of student life at UVic. All grades are welcome!
