## From Mrs. Arthurs

**Congratulations to all 28 rowers** who braved the elements - an atmospheric river, wind sun and fog - all weekend to race and compete in and represent our school, in the high school rowing championships!!! The crews had fantastic results with 20 out of 28 athletes making the top finals in very competitive races against all high schools in the city. Christo Faro is city champion in the singles from both regattas this season winning by mere seconds yesterday. Please take the time to congratulate the following students and highlight them in your TAGs 🙌

**From Mr. Ballam, Mr. O'Reilly, and Mr. Devenport**

If you missed signing up for the music appreciation club, come to Mr. Ballam's Room at the start of Focus Block (ask to leave your focus) or in the first 10 minutes of lunch, and sign up. It is a club about cool music, cool stories, the ties between the past, the present, and more. We will be meeting during Focus blocks on Friday's, twice a month, starting on November 15th due to ProD days or assemblies. Listen for the announcement.

**From Miss M**

Our sabres had a very busy and successful weekend! Our rowers braved the torrential rain and competed with grit in their championship! Our junior boys volleyball team got the opportunity to compete against teams from all over the island and mainland in their tournament at Spectrum! Our swimmers were literally diving head first into the opportunity of placing for provincials during their Island Championships, and they did just that! Congratulations to all of our athletes who spent their weekend representing what it means to be a student-athlete at St. Andrew's.
