From Student Council

Thank you, everyone, for donating for last week's Civvies Day. Together, so far, we **raised \$746.25 for the Parkinson Wellness Project!** Way to go, Sabres! Some students wore civvies and forgot to contribute to this good cause. Late money must be given to your TAG teacher ASAP. Students with missing money who have not paid after this week will face admin follow-up.

From Mr. Wagner

Many thanks to the one student who followed up regarding the mandatory **AP Calculus focus check-in on Monday**. My reason for opening the focus was to impress upon all of you that we need your AP exam fees sooner rather than later so that we can order the exams. ***Any student who is planning on or even considering taking AP Calculus***, please come see me this week to let me know you are aware, and please get the **\$150 exam fee** in by the end of day on Monday October 28th. You can pay by cheque, cash, or the debit machine in the office. Thank you!
