All CLC 12 students, I'll be away all next week, so I am hoping to get all of you in my classroom once more tomorrow (Thursday) during Focus. Sorry for the last minute notice, please let me know if it's not possible for you. There will be no CLC 12 next week.

If you're interested in learning about life's important questions, and about the Catholic faith, consider joining St. Andrew's Theology Club. Meetings take place during focus on Fridays throughout the year.

If you are an **experienced golfer**, *already have equipment*, and want to be part of the golf team, please see Mr. Durkan in the gym at lunch for a brief meeting. This is not a "learn-to-play" team! You must already be experienced in order to join the team.

The skies were blue and the waters calm. Each crew raced three times both on Sat and Sun. With each race, they learned valuable racing strategies allowing them to come from behind and win many tight races. All coaches were very proud of their accomplishments. Many thanks to those who came out to cheer us on. The rowers have been training hard 4 times a week. The season is short but intense with our next and last regatta of the season being

in two weeks. We'd love for you to drop in and see what all the excitement is about.
