From Mr. Gibbs

Hi everyone... Mrs. Kearsey and I are starting a new initiative to send love and encouragement to those affected by the LA fires. This week I am inviting staff and students to create a small drawing or painting that expresses love and our concern for those affected. The work must be done mostly in red but you can also use pinks and orange colours as well.. It could be something as simple as a heart or a written message but it could also be a more elaborate artwork. I am opening the artroom up for the remainder of the week so that you might be able to fit this into your already very busy schedules. Focus block will be only for this purpose. My hope is that by the end of the week we will have several hundred small artworks and these will be integrated together into an image of a phoenix rising out of ashes and shared with the LA community the following week. Thanks guys!
