**From Mr. Gibbs**

Hi everyone. Work will continue this week on our collaborative art project to send love and encouragement to those affected by the LA fires. We're hoping as many students as possible can take 5-10 minutes and create a small drawing or painting that expresses love and our concern for those affected by the fires. Alternatively, you could also create a written message to be included. Focus block this week will be set aside for students wanting to help finish this project. Our goal is to have it completed by Friday.

**From Mrs. Arthurs**
