From The Office

This a friendly reminder to all students that the following requirements are still in place and **must be met**.

- Phones are to be put away **immediately** upon arriving at school **for students in all grades**, and **only Grades 10-12** can have phones out at **lunch in the Commons or Grad Lounge**, with no exceptions.
- **All pieces for Winter Uniform are required** each and every day except for a civvies day. This includes ties for boys and **navy or black socks for all students**.
- Backpacks are not allowed in class and must be kept in your locker.
- Students must be signed up for a **Focus block**, without exception, and should sign up ahead of time to avoid delays getting to class. A missed Focus block without a valid reason, such as illness, will be treated the same as a skipped class.

Please follow these requirements and you will have no need to spend any happy time in lunchtime Detention Hall!

From Mr. McLaverty

The exam schedule for January will be available by the **end of the day today**. Please pick up a copy to check for your times. If there are any potential conflicts please talk to Mr. McLaverty.

From Mrs. Krause/Yearbook

Grade 12's! Heads up from your Yearbook Staff that TODAY at the start of lunch we are taking Grads and Cars pictures up the hill by the church. Please head up at the start of lunch if you want to be included.

From Natalia in Grade 12

Hey Sabres! This January, I'm organizing a Used Sporting Goods Donation Drive to fundraise for Fast and Female, a Canadian charity dedicated to empowering girls through sport, physical activity, and education. I need your help by bringing in items like skates, soccer balls, helmets, cleats, volleyballs, and more! Check out the posters around the school for a complete list of accepted donations. You can drop your donations in the bin outside the gym or give them directly to your Sports Rep, Natalia, in Grade 12. Follow @sabres_athletics for updates on this fundraiser.

Over please..../2
