From Mrs. Wynans

If you need to use a computer for school work during focus block, you will need to sign up for one of the focus blocks offered in the computer labs from this point on. You can either sign up with Mrs. Wynans (room 214) or Mr. Pawar (room 213).

Laptops and chromebooks will no longer be available for student use during focus blocks unless another teacher has signed them out for you to use, as too many of them are going missing or not being returned on time.

If you sign up for a focus block in one of the computer labs, you must be using the computers for school work. Absolutely no gaming allowed, as this is time for you to be getting work done.
