CLC 11A will not be held tomorrow. Have a great retreat, grade 11s.
Also, bring an apple tomorrow and participate in "The Big Crunch"

From Mrs. Donegan

Students in both of the senior Food studies classes used some of the delicious pears to bake pear muffins and pear loaf with streusel topping. We have about 100 muffins and 12 loaves to cut up for you! Please stop by the Foods Lab at lunch today for a Shrove Tuesday/Mardi Gras treat before our time of prayer, fasting and almsgiving starts on Ash Wednesday! Please thank the Foods 11/12 students for their kindness. Have a blessed day!
