Attention International Students!

We will be starting an exciting new collaborative art project in the art room during focus blocks on Monday, Tuesday, Thursday & Friday this week. Please sign up for focus any day this week and come and paint a small watercolor celebrating the national animal of your country. These will be assembled into a larger artwork on canvas similar to the one hanging outside the international office. Although we would like every international student to participate, we also encourage any student in our school community to participate.. Canada's national animal is the beaver, what's the national animal of your home country? Come ready to make some art, all skill levels and styles welcome..
