From Ms. Sanders and Mr O'Reilly

Come to the Music Room this Friday to learn more about an amazing volunteer opportunity— singing in an intergenerational choir that supports people diagnosed with memory loss and their care givers, and which is connected with research at UVic.. Students from our school have participated since the choir's beginning. This is a great way to gain valuable experience in many fields. No singing experience required. Oh, and there's a free pizza lunch. You should totally go.

Rowers

Please check your gmail for an invitation to our google classroom. Our first practice is tomorrow. The bus leaves at 1:30 sharp at the top of the hill.
