Good morning Sabres! 🐾 The **Holiday Door Decorating Contest** planning is well underway, and we're already hearing about some amazing creative ideas! Keep going, TAGs—there's more time coming up to prepare for your door to shine in any or all four categories: Best Overall, Most Religious, Most Festive, and Most School Spirit.

Show off your holiday cheer and Sabre pride—let's see those doors sparkle! Next planning and preparation time will be on Monday December 8. TAG time will include all of Focus that day.

From the Peer Counsellors

Did you know that dogs benefit our mental health by reducing stress, anxiety, and depression. When we are near dogs, "feel-good" hormones like serotonin and dopamine are released, providing a calming presence. **Dog lovers, mark your calendars** and come to the first meeting of the DOG LOVERS CLUB -- **Dec 17th at lunch in room 149**. There will be cookies for people & for our special canine guests.
