## TAG Prayer/Reflection from the Theology Club

This past Sunday, we celebrated the Baptism of the Lord when Jesus came to the Jordan river, where his cousin John was baptizing. This was unusual for Jesus to do, as John pointed out, saying, "I need to be baptized by you, and do you come to me?" This is because John was baptizing people to turn from sin, yet Jesus had no sin.

Why then did Jesus come seeking baptism? Jesus came to be baptized to humble himself in solidarity with our sinful humanity, taking on the shame of our sins and plunging into the Jordan to wash them away. And when he rose out of the waters, he rose with a new life, a new humanity. When we are baptized, we are called to do the same, to humble ourselves and join in solidarity with our neighbours, bringing them out of darkness and into life. Each day is an opportunity to humble ourselves and to reach out a hand to someone in need, perhaps even here in one of your classes.
